Hobie Edge

+ SAFETY TIP

Get a good, comfortable life vest and WEAR IT! A life vest does you little good stored on your boat, especially if you get tossed into the water and away from your boat. Accidents happen and by their nature, they happen when you are not prepared. A life vest can keep you afloat until you can rescue yourself or you can be rescued by others. In the worst cases when injuries or cold water are involved, your life vest can make all the difference! Be sure everyone onboard your boat wears a life vest too! Pass the word! Federal law now requires that all persons below the age of 13 must wear a life jacket while aboard a boat.

GRADED PFD SIZING

Fine tuned for each individual size, and sculpted foam footprint and foam thickness to provide a better fitting, and more comfortable PFD for people of all sizes.

HOBIE INFLATABLE PFDS

Light weight and comfortable. Ready when you need it, manual CO2 inflation or by mouth inflator allows for swimming, wading and intentional immersion. **NOTE: AIR SHIPPING RESTRICTIONS CO2 / DANGEROUS GOODS**

FEATURES: Coast Guard Approved Type III Nearly twice the buoyancy of USCG foam PFD Shortened slim fit shell for improved comfort when pedaling a Mirage kayak. Mesh Yoke Back Strap for breathability and preventing ride-up Large Easy Access Storage pocket for increased storage capacity Inflates manually for flotation only when it's desired D-ring for accessory attachment Accessory attachment straps Interior pocket for holding spare CO2 inflation cylinder Fits 30-52" chests and users 16+ years Included 24g CO2 cylinder provides 26 lbs. of flotation.

HOBIE INFLATABLE BELT PACK PFDS

Belt carried PFD designs are cooler and more comfortable than typical PFDs. Functional design for multiple types of water sports from fishing, kayaking, sailing to stand up paddling (SUP). USCG Approved Type III PFD, approved for use by persons 80 lbs and 16 years of age or older. Size: Universal Adult Size. Durable ripstop nylon pack. 2" wide, adjustable, nylon waist belt. Includes (1) CO2 Cylinder and instructions. 16g offers Buoyancy 16.5 Pounds. Slim fit. **NOTE: AIR SHIPPING RESTRICTIONS CO2 / DANGEROUS GOODS**

SAFETY: LIGHTS, FLAGS & RESCUE

HOBIE SAFETY FLAG

New safety flag specially designed for Hobie kayaks. Be seen on the water! A triangle safety orange flag with reflective piping. The flag stands out from the pole without wind. Simple, easy to install and remove from the kayak and at a great low price! This new flag system uses the Hobie threaded fittings as the mount point. Simply remove one of the threaded fittings in the cargo area and install the specially designed flag holder fitting in it's place. The pole is held by a clamping thumb screw. When removing the flag, loosen the thumb screw and pull the pole out of the fitting. The threaded fitting remains in the kayak. The fitting also includes an eye to route the cargo bungee through.

RESCUE STEP

"How do I get back in if I fall out?" The RescueStep features quick and easy installation and operation for vessel re-entry assistance, righting an overturned kayak and can also be used to tow or portage your kayak. Its compact size makes it easy to bring along anywhere you need it.

HOBIE SAFETY KIT

This kit has many useful items for added safety when boating. Hobie Gear Bucket with Orange safety lid. Ready access is assured by hanging the safety kit on the inside lip of an 8" Hobie Twist and Seal hatch. Includes a 33 piece first aid kit, water proof flash light, signal mirror, space blanket, whistle, utility tool, waterproof matches, duct tape, gauze bandage, gauze pads, cloth tape (specific items subject to change).

HOBIE FIRST AID KIT

Waterproof 3600 Plano box with essential first aid items. Fits tackle management rack.

SAFETY WHISTLE

A whistle can save your life! Keep one attached to your PFD in case of overboard emergency. Alert approaching vessles. Alert other boaters or people ashore that you need help.

BILGE - HAND PUMP

This light weight bilge pump is extra security for long trips on the water. Features super-comfortable, easy-grip rubber over-molded handle and a high-visibility neon yellow stock for extra safety.

SUN SHADE & DODGER

HOBIE BIMINI

Relax all day under the cool shade of our all new kayak Bimini. UPF 50+ fabric and sophisticated articulation feature provide sun and rain protection no matter the time of day. Customize your setup, multiple color options including Sun Yellow and Marine Gray help create your unique look. The Hobie Bimini offers unprecedented comfort and sun relief to let you enjoy and extend your time on the water. Integrates with the Hobie accessory mount base for simple, no-drill installation to get you on the water in no time. The Aircraft grade aluminum mast provides a sturdy and stable base. Over-center, support beam adds extra rigidity and structure. A slight push retracts the beam, quickly collapsing for disassembly on the water should an unexpected squall pass through. Rear hooks easily fasten to pre-installed cargo padeyes and Bungees® for secure attachment and use on the water. **UPF 50+** fabric provides protection from the sun's powerful rays all day long, creating the space for longer and cooler days on the water. **Water-Resistant** Water-resistant coating guards against unexpected showers or ocean spray keeping you safe and dry from the elements. **Durable** The Hobie Bimini is designed to effectively withstand all of the action from your water adventures. The lightweight ripstop nylon is rugged and durable. *Note: Not for i-Series Inflatable kayaks.*

For more information and setup video: hobie.com/accessories/bimini

Hobie Dodger

Hobie Bimini

HOBIE DODGER

The Hobie Dodger is a spray, cool breeze and sun shade for your lower body. Deflect bow spray, block cool breezes and stay warmer in cold conditions.

Works like a small pop-up tent. Loops of bungee connect to the boat via small fittings installed along the rails. The entire dodger folds forward to enter or exit the kayak, to make pedal adjustments or reach items in the cockpit. An access panel is built-in for using the sailing rig. A great combination when there is wind and spray!

Great for hunters, animal and bird watchers as the Dodger conceals your legs movement. The Hobie Dodger makes your kayak a sit-inside sit-on-top!

Installs in minutes initially, but installs in moments once the fasteners are in place. Packs away into a small stow bag 5" round by 24" long (1.8 lbs).

Mirage Dodger Fits the Hobie Mirage Outback, Sport, Adventure and Revolution, Island kayaks (May fit other models with some modification to hardware placement). Includes an opening for a sail kit or Bimini mast. Island versions include a larger opening for the Island mast.

MIRAGEDRIVE®

Hobie
MirageDrive 180

PERFORMANCE FINS - ST TURBO!

Increase your performance or increase your fitness routine, you choose the fin that is right for you: Standard or Turbo... low or a higher gear! This is very evident when using a sailing kit. The added power and speed of the sail often outpaces the standard fins (similar to pedaling a bike down hill in first gear).

Want to go really fast? Add TURBOs. Hobie Mirage kayak users report as much as 10% increase in speed and more using TURBO Fins. But its not all about speed, you can get top end speed and a slower cadence for cruising (Less pedals per mile). All achieved with these larger and more efficient fin designs. These longer fins can also increase lateral resistance for sailing upwind.

MD 180 ST Turbo Fin Kit

ST Turbo Red Fin Kit

MIRAGEDRIVE SPARE PARTS KITS GT & MD180

Spare parts kits include a fin, mast, sprocket (For GT Version), chain and appropriate parts for the drive version. Threaded sprockets and masts. All in a handy zippered pouch. Available for ST or ST Turbo fin drives.

LEASH KIT - MIRAGEDRIVE

Protect your investment from an accidental drop overboard. Includes hardware for attachment to the hull.

HOBIE MULTI-LUBE

A planet-safe lubricant recommended for lubricating MirageDrives and many other uses. Environmentally friendly for in-the-water applications. Hobie Multi-Lube offers excellent lubrication, is an anti corrosive coating, great for cleaning and many other uses... use on nearly anything that squeaks, rusts, corrodes or binds up; MirageDrives, rudder drums, cams, fishing reels and more. The 1 oz size is perfect for getting the lubricant into tight spaces by using the needle applicator. The 4 oz size has a spray applicator for coating chains and larger surfaces, shafts and bulky parts. Every Hobie owner should have Hobie Multi-Lube. Be nice to our planet, keep MirageDrives and other components running smoothly and lasting longer without polluting our waterways. Use it for all shop, home and sport lubrication needs.

MIRAGE SAIL

MIRAGE KAYAK SAIL KIT

Add sail power to Hobie Mirage Kayaks! (Fits all current models of Hobie Mirage Kayaks). Sail with ease maintaining excellent speed with or without pedaling while sailing. Easily pedal out to sail or pedal home when the wind is too light. Add a SideKick ama kit for additional stability if desired. The MirageDrive pedal system's fins act as a keel or centerboard when in the down position offering the lateral resistance needed for upwind sailing.

SAIL KIT includes:
Mast*, sail (20.25 sq ft.), lines, fittings and storage bag.
(*2 Piece mast standard / 4 Piece mast for i-Series)

Add the large rudder #81397001 for more responsive rudder control. Adventure / Revolution 16 models can add the dagger board for enhanced upwind performance.

Mirage Drive Sail Kit Colors

ROLLER FURLING KIT

This is the ultimate for easy operation of a Hobie Mirage sail kit. Start with the sail rolled around the mast. When you are ready... un-furl to expose the sail or leave a little rolled on the mast to test the wind! By partially unrolling the sail, you are "reefing" some of the sail for better control and stability. If you are ready for full power... roll it all out! Heading back to the beach? Roll the sail up tight on the mast and beach or dock the kayak with ease. Fits any Hobie Mirage sail kit (not for i-Series kayaks due to their stayed rig). The rolled sail will fit in current full-length sail bags. Hardware is easy to install and removal of the sail and control lines is simple for storage.

Roller Furling Kit

AIR-FLOW TELL TAILS

Trim your sails for optimum performance. Attached air flow over sails is critical. Air flow directions are indicated by these tell tails. Made of light weight rip stop nylon (Red / Green). Attaches to sails with waterproof adhesive disks.

SAILING TIP

SAIL POWER: Watch the sail, pay close attention to the trim or adjustment of the sail. When the front of the sail, just behind the mast, luffs or flutters in the breeze, you lose power. To start moving, pull the sail in just enough to stop the sail from luffing or turn the boat away from the direction the wind is coming from. There are also short ribbons hanging on either side of the sail called "tell tails". The tell tails react to air flowing over the sail and will help you see that the sail is pulled in too tight or too loosely. If you pull the sail too tight you will stall the sail power. The tell tail on the back side of the sail will drop or do circles. Ease the sail out until it luffs, then pull it in just a little until it stops luffing. You will adjust the trim whenever the wind changes direction or you change course.

SIDEKICK AMA KIT

Great added stability for use when sailing, fishing, standing when sight fishing, diving or shooting photos! SideKick ama kit is simple, light weight and effective! Floats are inflatable.

The SideKick's cross arms adjust the float height with a simple "click-twist-click". Just like a paddle shaft adjustment. Three positions offer you high - medium - low positions. Set the floats high for cruising (less drag) or secondary stability. Use the medium or low settings for primary stability (less initial roll). Fine adjustments for float height are done by twisting the main crossbar within its mounts and tensioning with the fastening hardware. Set up and use right off the beach or disassemble and deflate to store inside the hull. Then assemble and inflate when you get to your dive or fishing spot. Inflation is simple. Just blow a few breaths into each float through their one-way valves. Valve cap unscrews for rapid deflation. Installs with 4 bolts using expanding nuts. Not for use on Pro Angler models.

MIRAGE ISLAND

HOBIE ISLAND SPINNAKER/REACHER KIT

Add performance when reaching or running to your Hobie Island. Off-the-wind sailing is typically the slowest point of sail, add a spinnaker and the Island comes alive! The Hobie spinnaker kit includes a snuffer launching and retrieving bag which makes handling the spinnaker as easy as can be. Simply pull on the halyard line to launch, set the sheet and off you go! To lower, ease off the halyard and pull on the retrieval line. The spinnaker drops and stows directly into the snuffer system. The kit includes a mast head wind direction vane for use while rigged for the spinnaker. The mast head wind direction vane will help you keep the Island on course for spinnaker sailing. Spinnakers are for broad reaching across the wind to directly sailing down wind. They are not for sailing higher angles than a reach across the wind. *May require sail head modification by a sailmaker in older model Islands. Requires several inches of mast above sail head to fit into mast head fitting.

Note: Spinnaker sailing can be challenging and may not be for the novice sailor. We strongly suggest learning to sail your spinnaker in light winds. Once you learn how to handle a spinnaker... You are going to LOVE IT! Spinnakers add a whole new dimension to your sailing experience.

Spinnaker / Reacher Kit

Island Mast Head Wind Vane

HOBIE MIRAGE ISLAND TRAMPOLINES

Added space for carrying gear, allows you to move weight outboard for better performance in windy conditions, comfortable sitting or laying down position, carry additional crew / kids / pets (does not increase basic weight capacity), reduce spray in cockpit. The trampolines are made from mesh vinyl as used on our catamaran product. Available in Gray or Black. Easy installation. Fast (side-release) buckles across aft aka make folding akas quick. Adjustable webbing straps for a tight fit. Rolls down and straps to forward aka for storage or easily slips off the aka. Paddle storage, gear pockets and lanyard grommets included. (200 Lb Capacity)

ISLAND HIKING STICK

Extend your reach to your steering. Allows you to move your weight (hiking) outboard onto tramps or hakas for better stability, speed and comfort. Fits 2011+ Mirage model steering handles and all Tandem Islands.

TRANSPORTATION: CARTS

Carts are a must for easily transporting your kayak to water’s edge. “Plug-in” carts do just that...they plug right into the bottom of your kayak. Choose Standard or Fold-and-Stow for lighter duty and solid surfaces, Heavy Duty for heavy loads and rough terrain or the “all-terrain” Hobie Trax 2 or Trax 2-30 which are the best over soft sand.

KAYAK CART “PLUG-IN” STANDARD

Light weight with durable 26 cm tires and strong spoked wheels. Stainless steel frame. Wheels are easily removable for storage. Also includes cart keeper feature and cart clamps. This cart has the medium capacity. (150 lb Capacity). Great for transport over solid surfaces.

**Note Tandem island use issue*

KAYAK CART “PLUG-IN” HEAVY DUTY

Highest capacity cart with very durable knobby (Solid Foam) 26 cm wheels. Welded Stainless steel frame. Wheels are easily removable for storage. Also includes cart keeper feature and cart clamps. This cart has the highest capacity. (225 lb Capacity) Suitable for Pro Angler and Tandem Island. Best for transport over solid surfaces.

**Note Tandem island use issue*

KAYAK CART “PLUG-IN” HOBIE TRAX “2”

The Trax “2” Cart has 24 cm (blow-molded polyurethane) pneumatic tires. These tires have a high capacity and are very durable! Welded Stainless steel frame. Wheels are easily removable for storage. (176 lb Capacity) This is an all around cart for soft sand and uneven terrain. The tires are wide and can be deflated for better performance over softer sand and soil. **Note Tandem island use issue*

KAYAK CART “PLUG-IN” HOBIE TRAX “2-30”

All of the great features of a Trax 2 cart with higher capacity! The Trax “2-30” cart has 30 cm tires, bringing the capacity up to 242 lbs. Even with a lighter load, the Trax 2-30 will be the best plug-in cart for sand.

**Note Tandem island use issue*

“Plug-In” Standard

“Plug-In” Heavy Duty

“Plug-In” Hobie Trax “2”

“Plug-In” Hobie Trax “2-30”

KAYAK CART “PLUG-IN” FOLD AND STOW

All new Plug-In Cart! Hobie Fold and Stow! Easily assemble for use or disassemble (<30 seconds) and stow on / in your boat. Disassembled parts fit inside most kayak hulls that have larger hatches. Stow bag included. New cart keeper feature is simple to use. Rotate the ball to the side to lock the cart in place. Pull on the cart to disengage and the ball pops back on top of the post. Aluminum frame (175 lb Capacity) No tools required.

**Note Tandem Island use issue. Plug in carts are not recommended for the Tandem Island due to weight. Using a plug in cart can damage the scuppers or deck area in the hull.*

KAYAK CART C-TUG

Carries up to 80kg (170lbs), dismantles for easy stowing, won’t rust. Requires no tools and assembles in seconds. Dismantles in seconds, allowing you to stow it in your kayak hatch. Made of non-corroding engineering polymers, with stainless steel reinforced axles, this cart is designed for harder terrains.

KAYAK CARTS FOR I-SERIES KAYAKS AND ECLIPSE

Plugs into the bottom of the Eclipse or inflatable series kayak’s MirageDrive well. Stainless steel frame. Wheels are easily removable for storage. Standard is Light weight with durable 26 cm tires and strong spoked wheels. This cart has the medium capacity. (150 lb Capacity). Great for transport over solid surfaces. Trax is designed for soft surfaces such as sand or pebbles. surfaces such as sand or pebbles.

TRANSPORTATION: DOLLIES / TRAILERS

Full size dollies for the Adventure / Tandem Island or Pro Angler / Universal includes a hull / ama cradle, and a pull handle. Much stronger and easier to load and use than plug-in carts for larger, heavier models. Two different wheel styles allow for optimum performance on hard pack surfaces - or soft sand beaches. Choose beach wheels for use over soft sand or other surfaces. Choose the tuff tire if your launch surfaces are solid. The handle makes it easier to insert or remove the cart under the boat or pull along when un-loaded. The handle also acts as a "kick-stand" to keep the cradle upright during loading. The handle and wheels are easily removable for storage. The Pro Angler / Universal dolly will fit a wide variety of Hobie Kayaks including Pro Anglers, Outback and Oasis. Recommended maximum load equal to one Tandem Island without excess personal gear.

AI/TI Dolly Dolly
w/ 42 cm Beach Wheels

AI/TI Dolly Dolly
with Tuff Tires

LOADING

CAUTION

Cart and Dolly: Do not over-load. Not for towing or for speeds faster than average walking pace. Not for long hauls or stairs. Check cart fit carefully to be sure tires do not rub hull, on scupper versions that the posts fit clear through to the cockpit. Heavier model kayaks may require sleeves below cart clamps to keep hulls from contacting wheels. Not for prolonged use / storage. Incorrect use can damage or distort hulls.

KAYAK TRAILERS

Trailers ride on 8" wheels and use a 1 7/8" coupler. Trailex trailers are certified to USA DOT standards for use on USA roads. Carry one or more kayaks inverted on the crossbars (crossbar padding / cradles shown are not included with trailers). For the Adventure Island, Tandem Island or Pro Angler, add the custom designed hull cradle sets (Adventure Island V1 cradles shown to right on double trailer). These are form fitted and padding covered. For two Adventure Islands, order the double trailer (Double-Double for two Tandem Islands) add two cradle sets. The optional center Tower System adds storage possibilities. The Tower includes mast / sail hangers and is also designed to mount an equipment box on top. Easily mount the Hobie Toy Box on top of the Tower.

TRANSPORTATION: LOADERS / RACKS

HOBIE TIE DOWN STRAPS

Rack tie-down straps, made of durable black polypropylene webbing. Diagonal cut and ironed ends make threading ends into buckles easier.

HOBIE CAUTION FLAG

ROOF RACK PAD

Beefy car roof rack pads, made from durable black polyester with Hobie logo. Easy-on split bottom with Velcro™ closure.

QUICK STRAP SPORTRACK

Beefy car roof rack pads, made from durable black polyester with Hobie logo. Easy-on split bottom with Velcro™ closure.

Hobie Tie Down Straps

Hobie Caution Flag

Quick Strap Sportrack

COMPASS LOADER

Molded to fit snugly on the transom of the Hobie Mirage Compass and Compass DUO. The Compass loader is a load-assist tool. It incorporates rubber skids and handles to make car top loading of the kayak easier and helps prevent damage to the kayak during loading. **Scan QR code for video:**

RHINO LOADING ACCESSORIES

Load a kayak on to your vehicle without having to lift the full weight. Perfect for loading up solo or for car topping heavier boats.

UNIVERSAL SIDE LOADER

The Rhino-Rack Universal Side Loader assists you in loading your kayak, ladder, camping gear or other longer heavy items, onto your roof rack crossbars. Simply lift one end of your load onto the Rhino Universal Side Loader, then pivot your load onto your crossbars. Be sure to tie down your load once it is safely on the crossbars using load rated fastening straps.

FEATURES INCLUDE: Push button for quick release and easy storage; Crossbar clamps to suit all popular roof racks; Heavy duty storage bag; Support pole for loads greater than 44lbs (up to 132lbs); Integrated load stop prevents load from sliding off bar; foam padding for protection of your gear; Padding on the underside of clamps to protect vehicle roof; Fits all Rhino Aero, HD/Euro, all Thule Square, Aero bar & Wingbar, Rola, Prorack and Whispbar

T-LOAD HITCH MOUNT

The Rhino-Rack T-Load Mount is the perfect load carrying solution for long loads. Built tough from E coated Steel, the T-Load allows you to effortlessly load and transport your kayak. Mounting to a 2" hitch receiver the T-Load features an adjustable tilt position. A fitting kit is provided to attach your Rhino-Rack crossbars directly to the top of the T-Load and because we're top blokes we've also thrown in a non-slip mat to stop slippage when loading.

FEATURES INCLUDE: Single person use; Adjustable height & tilt position: Minimum height 950mm; Maximum height 1540mm; 1 x Rhino-Rack Aero crossbar; Rhino-Rack crossbar fitting; 1 x RTLK (Rhino-Rack T-Load Sling Kit); Non slip mat; 3 year warranty

NAUTIC KAYAK LIFTER

Is a complete system for easily loading and unloading sit on top kayaks. 80kg (176 lb) load capacity, does not require any heavy lifting and a single person can operate it using the included winch. The unit is designed to be neatly stored on the roof of your vehicle beside your kayak when not in operation.

Important Note: Designed to fit Rhino roof rack systems with bar overhang with at least 100mm. Contact Rhino for other rack Mfg compatibility.

KAYAK & PEDALBOARD STORAGE

KAYAK COVERS

Easy to install or remove, fits over the hull (like a fitted sheet on a mattress). Straps and pull string adjust for a tighter fit. Cross straps secure the cover on your hull for windy conditions. Heavy duty UV resistant canvas material in a neutral color for better aging. Universal covers fit over the hull when upright or upside down. To help prevent distortions to the hull bottom shape, Hobie recommends that our kayak hulls be stored upside down resting on the cockpit rails. This is also best for deflecting rainwater and prevents water pooling in the cockpit or on the cover. When planning to store a hull upright, be sure to properly support the hull bottom to prevent hull distortions. Universal fit covers may not entirely cover some hulls, especially with accessories installed.

MIRAGEDRIVE STOW BAG

This heavy duty Cordura and mesh bag fits the complete MirageDrive with standard fins or the ST Turbo length. There is extra space in the bag for things like a life vest or drive well plug. Also includes "D" ring fittings to allow attachment to Inflatable rolling bags. Large enough to store your Inflatable's drive, pump and 4 piece paddle.

RUDDER COVER ISLAND / TI

Rudder protection for 2011+ AI and all Tandem Island Rudders.

MirageDrive Stow Bag

Custom PA 14 Cover

Rudder Cover

ECLIPSE BOARD BAG

These heavy duty padded travel bags fit the ECLIPSE 10.5 or 12.0. There is extra space in the bag for the handlebar assembly. Cart Access Slots allow you to use the plug-in Cart while the board is covered.

HOBIE ECLIPSE MIRAGEDRIVE STOW BAG

This heavy duty Cordura and mesh bag fits the complete MirageDrive with Flow Fins. There is extra space in the bag for things like a life vest or drive well plug.

HOBIE NOSE-RAIL PROTECTION KIT

Protect your Eclipse nose, rails and deck surfaces with EVA stick-on coverings. Kit includes sections to protect nose, rails and decks. Protects from scuffs and scratches.

Eclipse Board Bag

Eclipse MirageDrive Stow Bag

CARGO ACCESSORIES & TACKLE MANAGEMENT

H-CRATE STORAGE SYSTEMS

- Fits on the back of a fishing kayak or SUP
- Keeps tackle, fishing rods and gear organized
- Lightweight & durable
- Can Be Disassembled to Store/Travel Flat

Weight: H-Crate 5.8 lbs / 2.63kg
Weight: H-Crate Jr. 5.05 lbs / 2.29kg
Includes: 4 Heavy duty straps
(Replacement 72020284)

H-CRATE SOFT COVERS

Vinyl cover with a zipper opening. Keeps gear drier and out of UV. Keeps gear in the crate from falling out in a capsize. Tested to extremes... the cover holds in place under heavy load even if inverted or tumbled. Easy to install using provided panel rivets. Double zipper is nylon, not corrosive and functions very smoothly.

H-Crate Soft Cover

MOUNT ADDITIONAL ROD HOLDERS TO H-CRATE

You can mount many additional rod holders to the grid walls.
(Additional rod holders include the required fasteners)

PADEYE XL

Replace existing smaller padeyes to enable attachment of multiple straps or rod leashes on the same eye.

Padeye XL

HOBIE HATCH LINERS

For Hobie Mirage Outback, Revolution and Quest. The forward hatch liner is a space to store gear or fish just inside the forward hatch lid. Keeps items from sliding forward or back inside the hull and keeps them up off the bilge. Now available for the Hobie Outback, Revolution 11 / 13 and Quest 11 / 13 (2014+).

HOBIE GEAR BUCKET

Add a drop-in "tackle box" to your 8" Hobie Twist and Seal hatch. The Gear Bucket containers are 2 1/2" deep and hang on the hatch lip or can be slipped down into the hull so you can carry several. Keep one on the hatch lip for easy access. Easily size-adjustable storage segments. Get the three pack with handy storage bag and pre-pack your fishing tackle for fishing different species.

HOBIE GEAR BUCKET - DEEP

Add a drop-in "storage box" to your 8" Hobie Twist and Seal hatch. 5" deep bucket without dividers. *Note: Does not fit Pro Angler Aft Hatch*

PLANO TACKLE BOX

TACKLE BOX SMALL - 10 adjustable dividers create 5-15 compartments. Clear/Yellow 9.13" x 5" x 1.25"

TACKLE BOX MEDIUM - 15 adjustable dividers create 5-20 compartments. Clear/Blue 11" x 7.25" x 1.75"

TACKLE BOX LARGE - 25 dividers create 3-28 compartments. Perfect box for extra long bulk storage. Clear/Red 14" x 9.13" x 2"

CARGO ACCESSORIES & TACKLE MANAGEMENT CONTINUED

HOBIE TWIST AND SEAL HATCHES

Lids hinge open, so you never lose the lid. A simple twist of the handle opens or closes the hatch. The hatch does not have to be held down against a flat surface to seal. This allows the hatch to seal even if the lid is partially open or tipped. Available in 6" and 8" diameters. * Kits include gaskets and screws (8031131).

HOBIE RECTANGULAR TWIST AND SEAL HATCH KITS

Hobie's rectangular hatches are stiff and strong, and designed for standing on. Unique seal and flange lip drainage keep water out. Add the optional Tackle Management Rack to the horizontal kit, or add the Rectangular Gear Bucket to either the Horizontal or Vertical Hatch. Includes backing ring, hardware, gasket and instructions.

VANTAGE SEAT ACCESSORY BAG

The Vantage Seat Accessory Bag is the perfect addition to your MirageDrive® kayak. Ideal for storing extra tackle, keys and wallet, lunch, a foul weather jacket, birding glasses, safety gear and more.

Vantage Seat Accessory Bag Features:

- 4 easy Velcro straps for attachment to the Vantage seat back
- Water resistant construction for keeping things dry
- Key tether with YKK snap swivel for extra security
- Interior zipper pouch for organizing smaller items
- Drainage hole in the bottom of the bag to rid water and allow the interior of the bag to dry completely
- Clear visibility window in the top of the bag so you know exactly what you're reaching for
- Dimensions: approx. 8" Tall x 8" Wide x 3" Deep

GUSSETED STOW BAG

6" by 12" gusseted bag has hooks on both ends to clip to your boat. Also available in 8" x 15" size. Securely stow tools, gloves or small parts for easy access.

Hobie Twist and Seal Hatches

Hobie Rectangular Twist and Seal Hatch

Vantage Seat Accessory Bag

HOBIE RECTANGULAR HATCH ACCESSORIES

Add a drop-in "storage box" to your Hobie rectangular hatch or tackle management tray that deploys two tackle boxes as you open the hatch. Some hatch locations may not allow bucket use due to hull depth

HOOKLESS MAP POCKET

Molded material resists hooking. Replaces standard mesh pockets. Frame and fasteners included.

HOBIE SOFT COOLER/FISH BAG

Keep your food or catch cold all day, even in very hot conditions. High quality construction includes half-inch closed cell foam that insulates, vinyl coated polyester that's durable and YKK zippers that are strong. Has handles for carrying and d-rings on the sides for attaching to the kayak.

Large size Bag is approximately 70 qt. The top has an adjustable bungee cord for storing additional gear. Dimensions: 36 inches long, 8 inches tall, bag tapers from 10 inches wide in the front to 20 inches wide in the back. XL size Bag is approximately 120 qt. Dimensions: 48" long x 10" tall x tapered from 12" (top) to 30" wide (bottom) Medium size Bag is approximately 26 qt. Easy access zipper on top and drain plug on bottom. Fits inside front hatch of many Hobie kayaks. Dimensions: 24 inches long, 7 inches tall, bag tapers from 7 inches wide in the front to 16 inches wide in the back. Compass Bag is made specifically to fit the bow recess of the Mirage Compass.

PA BUCKET/ALL CARGO COOLER

Lids hinge open, so you never lose the lid. A simple twist of the handle opens or closes the hatch. The hatch does not have to be held down against a flat surface to seal. This allows the hatch to seal even if the lid is partially open or tipped. Available in 6" and 8" diameters. * Kits include gaskets and screws (8031131).

VIEW DRY BAG

Transparent 13 oz. vinyl bags make quick work of locating things. Its cylindrical shape will hold various shapes such as clothing, cameras, binoculars, lunches, etc. without distortion of bag and resultant potential leakage. Air purge vent.

HOBBIE H-RAIL SYSTEM

ADJUSTABILITY IS ELEMENTARY.
Attaching, removing and adjusting H-Rail
accessories is literally as easy as one, two, three.

1. Wrap clamp around rail.

2. Latch gate and tighten.

3. Close locking lever.

H-RAIL RB STARPORT HD

Comes with the popular RAILBLAZA Starport HD with locking slide. Mounts to the 12-sided H-Rail without any drilling or tools needed.

H-RAIL RB MINIPOINT

The Hobie H-Rail MiniPort allows users to fit and re-task the full range of RAILBLAZA accessories to Hobie H-Rails. It clamps to the 12-sided H-Rail without any drilling or tools needed.

H-RAIL SCOTTY DECK/SIDE

We adapted this popular Scotty mount to fit our 12-sided H-Rail without any drilling or tools needed.

H-RAIL SCOTTY GEAR HEAD

H-Rail Gear-Head quickly slides into place and locks down your post mounted Scotty rod holders and accessories. This system allows you to quickly change rod holder positions with a simple "twist".

H-RAIL MINI TACKLE BIN

The H-Rail Mini Bin packs serious utility! It's slim and rugged design features a built-in 42" retractable gear tether, a tool holder for pliers or fish grips, four clip points for leashing down gear and raised drain channels in the floor so your gear won't ever sit in water. Four mounting locations for its integrated H-Rail clamp allows for a variety of orientations, giving you the flexibility to mount the bin just about anywhere you've got an open section of H-Rail. Perfect for holding the tools you need close to hand including your VHF radio, cell phone, packs of soft plastics or a digital camera for those fishing CPR tournaments. Overall dimensions: 9" L x 3" W x 4" T; bin dimensions: 5" L x 3" W x 4" T.

H-Rail RB Starport HD

H-Rail RB Miniport

H-Rail Scotty Deck/Side

H-Rail Scotty Gear Head

H-Rail Mini Tackle Bin

H-Rail Tackle Bin

H-Rail Cup Holder

H-Rail Mounting Plate

H-Rail G-Hold

H-RAIL TACKLE BIN

Add more storage or hold more gear. Designed to hold fishing tackle boxes, the tackle bin also includes a removable tray, Bungee® retainers, and plenty of places to clip things to. Store tools and use it as a place to collect odds and ends that usually clutter your fishing area.

H-RAIL CUP HOLDER

Always have your favorite beverage conveniently located and secure.

H-RAIL MOUNTING PLATE

Mount almost any accessory to the H-Rail using this universal mounting plate. It's durable, easy to drill through and flat on the top and bottom, allowing bolts, nuts and washers to fit snugly.

H-RAIL G-HOLD

Secure paddles, push poles, nets, gaffs or anything of moderate size up to 2 inches in diameter. The flexible quick-release strap has two securing points for security of minimum and maximum diameters, providing strong retention. It clamps to the 12-sided H-Rail without any drilling or tools needed.

H-RAIL MIGHTY MOUNT

Use it to attach your track mounted accessories. Use it as a standalone mount to secure your VISICarbon Pro™. Use it with the brand new Screwball™ or the Panfish™ camera pole.

H-RAIL RAM® MOUNTS

Add your favorite accessories to RAM Mounts on the H-Rail using the 1" or 1.5" ball.

H-RAIL ROD RACKS

Designed for horizontal rod storage. Padding on the interior protects your investment, plus rod retainers secure your rods in position for easy access, surf landings or transport. When rotated, the Rod Rack can be used for storing other accessories like a paddle, sail or stakeout pole.

H-Rail Rod Rack

H-Rail Rod Holder

H-RAIL ROD HOLDER

The H-Rail Rod Holder clamps to Hobie's H-Rail making it easily adjustable along the H-Rail or rotated to a desired angle inboard or outboard. A second lever allows the rod tube to be rotated at angles forward to aft. The rod holder can be clamped facing inboard or outboard depending on the desired use. It's a tube design with a removable gimbal pin and a reel holder that can be rotated to orient baitcasting or spinning rods into the perfect position. The two oversized padeyes can be used for rod leashes or to secure the rod holder to the boat and prevent it from slipping under high loads. Hobie always recommends using a rod leash and suggests the 72020099 Strap Kit to secure the rod holder in position for big game trolling.

DLX MOUNTING BOARD KIT - PRO ANGLER

2018 Pro Angler Deluxe Mounting Boards feature a built-in, center loading accessory track, knife holder, pliers holder and clip points for leashing gear. We've also given the topside a textured finish to increase friction with track mounted accessories. Installs simply and securely to pre-2018 model year Pro Anglers using included hardware.

HOBBIE HORIZONTAL ROD HOLDER KIT

Keep your fishing rod secure and protected along the side of your kayak. Insert the rod tip into the tip protector and lock the rod handle into the clasp. Easy to install using the provided hardware. Choose either through-bolts or sheet metal screws. Fits any kayak. Patent Pending.

ADJUSTABLE ROD HOLDER

Fits into Hobie's molded-in rod holders and fastens to the boat using 2 straps and padeyes (included). Release the lever to adjust the angle of the rod holder. Allows you to adjust the angle of their rod so it is best suited for the fishing situation. It is a tube design with a removable gimbal pin and a reel holder that can be rotated to orient baitcasting or spinning rods into the perfect position. The two oversized padeyes can be used for rod leashes. Extremely popular with anglers who like to troll. Hobie recommends using a rod leash to tether your rod to the kayak when fishing for big game.

HOBBIE ROD HOLDER EXTENSIONS

These fit right into the molded-in rod holders and offer a larger diameter sleeve that is deeper. Keep your fishing rods secure and reels higher out of the water. Leash the holder extension to the boat and the rod to the holder using the molded eyes.

HOBBIE ROD LEASH

Secure the rod leash to boat and rod. Quick snap connection feature allows easy detachment when needed. Webbing construction with quick connect hook.

HOBBIE GEAR KEEPER

Keep your equipment onboard with Hobie Gear Keepers. These low force retractor tools are ideal for gear such as pliers, dykes, lipper tools etc.

SMALL HOBBIE GEAR KEEPER: Features: 36" 50lbs Breaking Strength Spectra Nylon Line, Plastic Snap Clip, 3/8" Quick Connect Split Ring.

LARGE HOBBIE GEAR KEEPER: Features: 36" 60 lbs. Breaking Strength Nylon Coated Stainless Steel Cable, Stainless Steel Spring and Hardware, Plastic Snap Clip.

HOBBIE H-RAIL WITH INTEGRATED PATENTED RAM® HAND-TRACK™

Swap out the bungee in the rear H-Track DLX assembly with a second set of H-Rail + Integrated Track! This kit is a breeze to install, and increases no-drill mounting options behind the seat of any 2019 Outback.

H-Rail with integrated track yields a 17.5" multi-purpose mounting system for light AND heavy-duty applications. Clamp H-Rail rod holders to the rail for heavy-duty trolling, or use the track feature for lighter-duty accessory installations!

RAILBLAZA

Diverse, flexible and user-friendly mounting systems and accessories. Your StarPort™ can be mounted just about anywhere! Then add the desired accessories to mount onto the starport

STARPORT

The StarPort allows users to fit and re-task the full range of RAILBLAZA accessories. The StarPort can be used as either a deck mount or flush mount base. This base not only comes with a gasket and cap, but also features a slide locking mechanism to confidently lock the RAILBLAZA accessory in place. Stainless Steel mounting hardware included.

H-RAIL READY!

H-RAIL STARPORT HD

Mount the Hobie H-Rail StarPort HD on the 12-sided H-Rail without any drilling or tools needed.

FIXED EXTENDER

The Fixed Extender gives you 5 inches of clearance from the StarPort – an optimum distance for freeing up the cockpit and creating additional leg room on kayaks.

H-RAIL MINIPOINT

Mount the Hobie H-Rail MiniPort on the 12-sided H-Rail without any drilling or tools needed.

AKA STARPORT MOUNT

AKA StarPort Mounts allow the easy attachment of a RAILBLAZA StarPort to your Hobie AKA (V2). The StarPort Mount is designed to fit securely on the AKA of an Island or Tandem Island without twisting.

H-RAIL G-HOLD

Secure paddles, push poles, nets, gaffs or anything of moderate size up to 2 inches in diameter. The flexible quick-release strap has two securing points for security of minimum and maximum diameters, providing strong retention. It clamps to the 12-sided H-Rail without any drilling or tools needed.

ROD HOLDER II

Hold a bait caster, spinning rod, trolling rod, or fly rod. The rotating collar secures rod in place and the rear gimbal lock reduces rod rotation for compatible rods. Also offered with the StarPort HD mount (Stainless Steel mounting hardware included with 72026209 Rod Holder II / StarPort HD).

TECH TIP

FOR ALL ITEMS WITH POLYCARBONATE LOCKING SLIDE- IMPORTANT: Use of petroleum-based lubricants on the StarPort slide will cause failure. Silicone-based lubrication products are required.

VISIBILITY KIT II

The RAILBLAZA Visibility Kit II is a must-have safety item for any kayak angler or recreational paddler. The Visibility Kit II meets US Coast Guard 2 Nautical Mile regulations, and disassembles when you're finished to be stored just about anywhere. The i360 light portion can be fitted to any RAILBLAZA StarPort around the kayak. The Extenda Pole 1000 portion can be used to display a flag, or combine with RAILBLAZA camera mounts as a camera pole.

G-HOLD 50

The G-Hold 50 is recommended to secure paddles, boga grips and anything of moderate size up to 2 inches around. The flexible quick-release strap has two securing points for security of minimum and maximum diameters, providing strong retention. G-Holds install in any RAILBLAZA base.

CAMERA BOOM 600

The Camera Boom 600 is the perfect way to hold the camera and capture the action. Capturing your adventure from the perfect angle is now made easy. Over 30 inches long and fully adjustable with 4 moving joints, capturing any angle is possible. This camera mount will fit into any RAILBLAZA StarPort.

CAMERA MOUNT KIT

With the RAILBLAZA Camera Mount Kit, you can securely mount your camera on your kayak, paddleboard, or many other surfaces by simply making it StarPort compatible. The kit is compatible with any camera featuring a 1/4-20 thread insert while also including a GoPro tripod adaptor to make the kit compatible with all GoPro cameras.

ROTATING PLATFORM

The Rotating Platform allows for 360 degrees of rotation, easily clips in and out of your StarPort. Perfect for mounting fish finders, cameras, or other electronics.

I-SERIES BASE - RIBPORT

Expand the rigging capabilities of inflatables, stand up paddleboards or coolers (without drilling). The i-Series Base allows the addition of useful StarPort attachments. The 6x4-1/2 inch base is easily applied to any flat surface with the included 3M backing adhesive.

RAILBLAZA ROD HOLDERS / MOUNTS:

- 72026200 RB ROD HOLDER II ONLY BLACK

- 72026214 RB VISIBILITY KIT II

Innovative designs and many versatile mounting options, we're sure you'll find the exact combination you're looking for. Scotty Rod holders were designed with one major purpose in mind: Fight the fish, not the fishing gear!

ROCKET LAUNCHER

Fully Adjustable rod holder, composite construction, accommodating all rods. Mount not included.

RODMASTER II

Fibre reinforced engineering nylon offers strength, resilience and reliability. Also comes with a removable gimbal pin. Mount not included.

BAIT CASTER

Holds a bait caster reel in a cushioned cradle. A slot in the front of the rod holder allows for a spinning reel to be securely held in position. The rod holder design has a side mounted flange, which leaves the bottom open. This allows for the rod holder to accommodate trigger grips. Pistol grip rod butts easily clear the sides of the rod holder for quick rod retrieval. Rod can be secured in holder with a soft latching strap which snaps over the top. Mount not included.

FLY ROD HOLDER

Allows hands free trolling with a fly rod. Fully adjustable and includes a safety strap. Fly Rod Holder Interior Diameter: 1.16" Mount not included.

FLUSH MOUNT

Sealed base for watertight applications (such as kayak decks). For all Scotty post mount rod holders. Dimensions: 4" x 2" x 2", Bolting Dimensions: 1 5/16" x 3 3/16"

DECK / SIDE MOUNT

1.16", Mount Dimensions: 4" x 2" x 2", Bolting Dimensions: 1 5/16" x 3 3/16"

H-RAIL SCOTTY DECK/SIDE

We adapted this popular Scotty mount to fit our 12-sided H-Rail without any drilling or tools needed.

H-RAIL GEAR HEAD

H-Rail Gear-Head quickly slides into place and locks down your post mounted Scotty rod holders and accessories. This system allows you to quickly change rod holder positions with a simple "twist".

SCOTTY ROD HOLDERS / MOUNTS:

- 80048006 GEAR HEAD MOUNT
- 80048011 ROD HOLDER - BAIT CASTER ONLY
- 80048014 ROD HOLDER - RODMASTER II ONLY
- 80048015 ROD HOLDER - ROCKET LAUNCHER O
- 80049011 FLUSH DECK MOUNT W/HARDWARE
- 80052011 DECK / SIDE MOUNT W/HARDWARE
- 80055011 ROD HOLDER - FLY ONLY

LIVEWELL

HOBIE LIVEWELL V2

The newly redesigned Hobie Livewell sports a fresh color scheme, modern lines and more built-in features than ever before. This livewell is plug-and-play with most Hobie kayaks and includes: (1) 6V sealed gel cell battery + charger for powering the pump, an adjustable downspout for filling the tank half way, a corrosion resistant power switch, 3 integrated rod holders, a threaded drain plug, easily removable tank partitions for keeping bait healthy, an 8" Twist and Seal hatch for access and bait concealment, heavy-duty straps for attaching it to the kayak and a carrying handle for easy transport.

FEATURES: High output pump circulates aerated water to keep bait alive, Battery and Charger included, Sealed Marine Switch for ON/OFF control, Adjustable downspout for water level control and drainage, Holds up to 8 gallons of water, Removable tank partition provides a rounded surface for keeping bait healthy, 3 vertical rod holders included, with pre-marked locations for adding more, 8" Twist and Seal lid for tank access & bait concealment, Carrying handle for easy transport, Heavy Duty straps secure livewell to cargo area, Pump cap for filling the tank with non-circulating water, Threaded drain plug keeps tank interior dry between uses.

Hobie LiveWell V2

HOBIE LIVEWELL XL

Larger capacity, fits all Pro Angler models. 6 gal/22.71 L and 11 gal/41.64 L. The Hobie Livewell XL Bait Tank is a new, larger version of the original Livewell. It comes with a tank partition that keeps debris and critters from clogging the internal pumps and drains. Custom designed with the serious angler in mind, simply charge the included battery and you're ready to go.

The removable tank partition keeps debris and critters from clogging internal pumps and drains or hiding in hard to reach areas. The partition also provides a rounded surface so baitfish stay healthy and happy.

FISH FINDERS, MOUNTS & BATTERIES

FISHFINDER HOOK2 4X GPS

Great for kayaks, the compact HOOK² 4x GPS features proven Broadband Sounder™ and a basic GPS plotter. If basic navigation is all you need, the simple and accurate GPS plotter of the HOOK² 'x' models let you add waypoints, follow trails and navigate to your favorite fishing spots. (*'x' models do not support add-on mapping such as C-Map).
Compatible FF Mount 72023060 RAM 1" paired with equal size RAM ball of choice.

HOOK REVEAL 5 SPLITSHOT

Hook Reveal 5 SplitShot features High CHIRP sonar and DownScan Imaging™ with FishReveal™, plus single frequency broadband sonar. This all-new unit also features pre-loaded C-Map US Inland mapping and Genesis Live, allowing you to map uncharted water in real-time. A microSD card slot accepts a C-Map Insight Pro card (pn 72020221), giving you coverage of the entire US Inland and Coastal waters on a single SD card without any download required. SolarMAX™ Display, new color palettes and one-touch access to key features makes for a high-end experience at an affordable price. *Compatible mount: 72023061 RAM MOUNT 1.5" HOOK or 72023060 RAM Mount 1" Hook paired with equal size RAM ball of choice.*

HOOK REVEAL 7 SPLITSHOT

Hook Reveal 7 SplitShot features all the same capabilities as the smaller Hook Reveal 5 SplitShot, just with a larger screen and better target separation. High CHIRP sonar and DownScan Imaging™ with FishReveal™, plus single frequency broadband sonar makes finding fish easier than ever. This all-new unit also features pre-loaded C-Map US Inland mapping and Genesis Live, allowing you to map uncharted water in real-time. A microSD card slot accepts a C-Map Insight Pro card (pn 72020221), giving you coverage of the entire US Inland and Coastal waters on a single SD card without any download required. SolarMAX™ Display, new color palettes and one-touch access to key features makes for a high-end experience at an affordable price. *Compatible mount: 72023055 RAM MOUNT 1.5" paired with 1.5" RAM ball of choice.*

3 - FISHFINDER INSTALLATION KITS

FISHFINDER POWER KITS FOR LOWRANCE READY/GUARDIAN

These kits include everything you need for wiring up your fishfinder to any Hobie kayak with the "Lowrance Ready" feature. Kit Includes: 12V 9AH waterproof gel cell battery and charger or NOCQUA Lithium battery system, wiring hardware, and battery holder which mounts to the sail / accessory post or in the lip of an 8" twist and seal hatch. (For Passport 12 requires 72026217 Fit Kit).

FISHFINDER I-SERIES INSTALLATION KIT

Hobie's plug-and-play option for outfitting your inflatable kayak with a fish finder. This kit includes everything you need to install and power a fish finder on your Hobie iSeries kayak. We've incorporated our Rudder Ready* transducer mounting kit, a custom RAM fishfinder mount extension that attaches to your Vantage seat, a lightweight PRO POWER 12V, 10 amp hour lithium battery, charger and wiring components. Simplifies transducer mounting on inflatable kayaks with wires run externally.
*Not suitable for retractable Pro Angler style rudders.

FISHFINDER RUDDER READY INSTALLATION KIT

Hobie's Rudder Ready fish finder installation kit provides everything you need for wiring up and powering a fishfinder on your rigid kayak without the Lowrance Ready feature. Kit includes Hobie's Rudder Ready* transducer mount, thru-hull plugs, 12V gel cell battery and charger, battery holder, wiring components and zip ties for tidying everything up.
*Not suitable for retractable Pro Angler style rudders.

HOBIE EVOLVE

HOBIE EVOLVE POWERED BY TORQEEDO

This quiet and efficient electric motor will dramatically expand your horizons. With the Hobie evolve, you can either maintain steady cruising speeds of two knots (motor only) for hours, or you can open the throttle for short sprints. Best yet, depending on your set-up, you can use the evolve to augment your boat speed while also using your MirageDrive. And thanks to its cockpit-mounted Remote Throttle, you always know how much juice you have left in the system's Lithium-Manganese battery. Runtime estimated as 8 hr 20 min at 2.6 mph / 48 min full throttle using a 320 WH battery.

KIT INCLUDES:

Ready-to-go Mirage well-mounted Hobie evolve v2; All cables for the motor and throttle units; All mounting hardware; Assembly that integrates the motor with a Twist and Stow rudder*; Remote throttle system displays speed and distance information generated by an onboard GPS unit; Magnetic safety key; Waterproof fittings and cable connectors; Solar charging port; Corrosion-resistant materials ensure durability and performance; Lightweight power: Total weight of installed kit is 18 lbs (8.16 kg) or less, depending on the configuration. Order battery separately.

REMOTE THROTTLE

Remote Throttle, which attaches via a RAM mounting unit (included) to provide throttle control from your favorite seating position. The LCD screen displays all the trip info you need (such as speed and range) while you're underway. For safety, the unit features a magnetic key-to-throttle connection; break this magnetic connection and the motor immediately stops.

LITHIUM BATTERY V2

The batteries are buoyant and completely waterproof. Its built-in GPS unit generates pertinent information such as speed and range. Solar charge / run port.

MIRAGE WELL MOUNT

Mirage-mounted evolve weighs a scant 6.4 pounds—that's 0.2 pounds less than the MirageDrive.

2 for 1 BOTH MOUNTS INCLUDED

* Rudder Mount for all Mirage Series Kayaks with Twist and Stow Rudder Systems. Not Compatible with Inflatable Kayaks, Island Series or Pro Angler.

RUDDER MOUNT

A lightweight assembly to easily integrate the evolve motor with a Twist and Stow rudder. Pedal and motor; motor, or simply pedal. When off, the engine becomes your rudder or it can be brought on deck via the Twist and Stow controls. *(The rudder mount option is not compatible with inflatable series, Island series or Pro Anglers)*

Hobie Evolve V2

Rudder Mount

Remote Throttle

72022010 Torq Trac (Ltd stock)

TORQ TRAC

The dashboard for electric motors on your smartphone. Bluetooth accessory plugs in-line on the throttle cable and transmits a variety of great information to a smartphone. The App can be downloaded for free from the App store on your device.

Features:

Everything easily readable, even at night; Know how far you can still go: remaining range is shown on a map in real time; Uses waypoints for navigation and estimated time of arrival; GPS information; Trip logging and eco logging: see exactly how you're doing; Warning messages in plain language Individually adjustable.

FISH FINDERS, MOUNTS & BATTERIES

Hobie Mirage Rigging Stand

HOBIE MIRAGE KAYAK RIGGING STAND

Place your kayak at a comfortable height for preperation of gear or while mounting hardware. Move the rack and boat around easily using a set of plug-in wheels as shown (not included). Multiple options for wheel use depending on your needs. The rack easily disassembles for flat storage. Not recommended for long term storage.

COMPASS FOOT BRACE KIT

Foot braces improve the user experience by offering more comfort and power while paddling from a seated position. The foot pads are easily adjustable to fit riders of various heights, and a trigger lock keeps the foot pad firmly in place while kayaking.

LITHIUM PRO POWER KIT

The perfect lithium ion power source for running your fish finder, GPS and other electronics! Nocqua's 12V, 10Ah Pro Power Kit is lightweight and compact, weighing in at just over 20 oz. It's safe, durable and water resistant and comes with all the components necessary for rigging up an individual device. Kit includes: 12V Lithium ion battery, 110V Charger, 12" connector with open leads, 6" heat shrink tubing and 2 heat shrink butt connectors.

HOBIE 12V BATTERY

Waterproof 9AH gel cell 12-volt battery with attached waterproof wiring and connectors, 12-volt battery charger.

HOBIE 12V BATTERY HOLDER

Hobie's battery holder is versatile! Hang inside an 8" Twist and Seal hatch or mount to the mast / accessory receiver inside the hull.

HOBIE THRU HULL WIRING KIT

Hobie thru hull fittings for routing wiring through cockpit area for FishFinders, GPS and more. Includes two through hull fittings with backing nuts, o-rings and one "tree" of adapters for different wire diameters. 3-Way version does not require backing ring for easier installation and allows larger cable end fittings to fit through a larger hole. Has 3 possible cable pass-through points.

ELEC CONNECTOR SET

Set of male / female waterproof plugs with wires and 4 waterproof (silicone filled wire nut) connectors.

HOBIE RUDDER READY KIT

Hobie's answer for outfitting your inflatable kayak with a fish finder. The Rudder Ready* kit allows you to securely mount a transducer to any kayak with a Twist and Stow style rudder system. Eliminates the need for over-the-side mounting arms, and simplifies transducer mounting on kayaks without the Lowrance Ready feature.

*Not suitable for retractable Pro Angler style rudders.

LOWRANCE® READY TOTALSCAN® PLATE

The Lowrance Ready TotalScan transducer plate mounts in the same location as the standard Lowrance Ready transducer plate found on your Hobie fishing kayak. This mounting plate leaves the TotalScan transducer free of obstruction, allowing the side imaging technology to function with optimal performance. A protective dome on the front end offers protection against head-on collision damage. *Transducer mounting hardware included.

KAYAKING PARTS & ACCESSORIES: RECREATION & FISHING

BUILD YOUR PERFECT PLATFORM

Hobie Deck Pad Kits are custom-fit to every contour of your kayak and deliver comfort, traction and sound dampening qualities. The double layered, closed cell foam construction features a brushed finish for texture, and is mold, mildew and stain resistant. The strong adhesive backing adheres to the deck of your kayak for a semi-permanent installation. Complete kits provide overall coverage, and the best sound-dampening performance. Interior kits provide coverage on the recessed decking in the cockpit and cargo area, where you'll need it most.

POWER-POLE

1 - POWER-POLE MICRO AND SPIKE

Includes Micro Driver Unit and 8ft UL Spike. This all-electric unit is extremely quiet and easy to use. It works with a 3/4" spike to stop and anchor your kayak at the push of a button. It functions as a conventional stakeout pole or shallow water anchor without having to manually deploy it yourself. When the wind and water are moving, you won't be. With Power-Pole's signature strong hold, the Micro gives you a smooth stop on the spot in seconds. Whether you're anchored in sand, rock or mud - it's swift, silent, and secure.

2 - MOUNT KIT

Attach a Power-Pole Micro to the stern of your Hobie using the hardware and mounting plate that comes in this kit.

3 - LITHIUM BATTERY PACK

The Micro Battery Pak is not just any battery pack; it utilizes advanced Lithium-Ion technology to ensure the longest performance while maintaining the highest built-in safety standards. Delivering a minimum of 100 cycles per charge, it can easily handle a full day of excitement on the water. The Micro Battery Pak includes battery pack, mounting harness, AC wall adapter, and charger.

OR... 3 - HOBIE POWER KIT

Power up your Power-Pole Micro using this Hobie kit. Kit includes 12V battery, charger, battery holder, and all of the wire plugs, adapters and connectors.

INDIVIDUAL PARTS / SPARES:

Micro Driver Unit, Spikes, Mount Plates.

Power-Pole Micro and Spike

- 72020273 TROLLEY KIT - WELLNUT COMPASS/
- 72076001 STAKEOUT POLE - KAYAK FISHING
- 80035A ANCHOR w/BAG & LINE (3.5 LB)

HOBIE STAKE-OUT POLE

Hold position in shallow water by inserting the Hobie Stake-Out Pole into sand or mud. Fiberglass pole with metal tip, rubber grip handle and attachment line system.

HOBIE ANCHOR TROLLEY KIT

Easily deploy your anchor, drift chute or stake out pole over the side of the cockpit area, then move the attachment position forward or aft to hold your boat in the position desired. Easily sit facing down stream / wind at anchor. Simple pulley system and cleat allows adjustment all along one side of your boat anywhere from bow to stern. PA 12 and 2013+ PA 14s are "Trolley Ready" with molded-in fittings to mount the turning blocks.

ANCHOR KIT

3.5 pound folding anchor, bag and 60 feet of line. (Connect to the Hobie Anchor Trolley System for best results)

HOBIE DRIFT CHUTE

Large cone shaped "para" chute deployed in the water slows your drift in windy conditions when anchoring is not possible or desired. Design keeps chute just under the surface and fully inflated. Anchor line not included. (Connect to the Hobie Anchor Trolley System for best results)

H-BAR

ADJUSTABLE H-BARS

Standing support for Kayaks! The adjustable H-Bar will integrate with all H-Rail accessories for easy customization. It folds up when you need it and away when you don't. The aluminum extrusion is strong and lightweight for leaning against or holding on to while entering/exiting the boat or pulling yourself up from a seated to a standing position. The Outback Universal kit is fully adjustable to fit a wide variety of kayaks. The PA17 requires an adapter kit (extra set of H-Rail clamps and a longer center bar) when used in the middle and aft seat positions.

- Lean against to stabilize
- Pull yourself up from a seated position
- Grab ahold to assist when entering the kayak
- Variable height settings
- Folds out of the way

- 84500116 HOBIE H-BAR / PRO ANGLER

- 84500121 HOBIE H-BAR PASSPORT 12
- 84500122 H-BAR LYNX

H-RAIL EXTRUSION
Integrates with all H-Rail accessories, like rod holder mounts, for easy customization.

ADJUSTABLE
Four telescoping legs, along with foot-mount placement, enable a wide range of height settings.

INCLUDES
Mounts
Hardware

Weight
4.5 lb / 2.04 kg

MAINTENANCE

HOBIE MULTI-LUBE

A planet-safe lubricant recommended for lubricating MirageDrives and many other uses. Environmentally friendly for in-the-water applications. Hobie Multi-Lube offers excellent lubrication, is an anti corrosive coating, great for cleaning and many other uses... use on nearly anything that squeaks, rusts, corrodes or binds up; MirageDrives, rudder drums, cams, fishing reels and more. The 1 oz size is perfect for getting the lubricant into tight spaces by using the needle applicator. The 4 oz size has a spray applicator for coating chains and larger surfaces, shafts and bulky parts. Every Hobie owner should have Hobie Multi-Lube. Be nice to our planet, keep MirageDrives and other components running smoothly and lasting longer without polluting our waterways. Use it for all shop, home and sport lubrication needs.

SILICONE SPRAY

Dry silicone spray for cleats, hatch O-rings. (Image above may not represent current packaging or volume)

HOBIE UV PROTECTANT

Protect and rejuvenate fiberglass, polyethylene, vinyl and PVC materials. Wipe on, the protectant absorbs into the material and leaves a UV protective layer. Reduce the loss of essential oils and deflect the sun's harmful UV rays. 12 oz.

MAGICA RUST REMOVER

Easily clean rust stains from fiberglass, plastic surfaces, metal parts or fabrics. Although metal parts are made from high quality stainless steel, machining tools often leave carbon particles imbedded in the metal surfaces. This material can bleed a rust stain onto other surfaces. Magica simply dissolves the rust away.

CLEAR SILICONE SEALER

Make sure your hulls are watertight! Clear Silicone seals leaks around all thru-hull fittings.

SAIL REPAIR TAPE

Don't get caught with your sails down! Extra strong, Rip Stop white tape for temporary on-the-spot repairs to torn sails, canvas, even foul weather gear. Keep a roll in your toolbox for emergencies.

AQUASEAL MIRAZYME ODOR ELIMINATOR

There's nothing quite like the odor of damp gear left in your car trunk for a couple of days. With one application eliminate those odors from booties, wet-suits, dry-suits and the rest of your gear. A 100% biodegradable product made from a blend of 10 highly specialized, light activated microbial elements. Works by penetrating into pores of fabric, rubber and even hard surfaces to eliminate odor naturally. (Packaging may vary)

- 1603 MAGICA RUST REMOVER GEL 8 OZ B
- 1662 TAPE, SAIL REPAIR 2"X 25' ROLL
- 5107 SILICONE SPRAY 7oz
- 5120 HOBIE MULTI LUBE 1 OZ
- 5121 HOBIE MULTI LUBE 4 OZ

Tear-Aid

Hobie UV Protectant

TEAR-AID

Each TEAR-AID® repair patch is made from an exceptionally tough, matte finish, abrasion resistant, elastomer that resists puncture and tearing. It is combined with an aggressive adhesive formulated for high bond strength to a variety of surfaces such as canvas, leather, rubber, nylon, most plastics, paints, aluminum, stainless steel, fiberglass, polyurethane, polyethylene, polypropylene, vinyl and vinyl coated. TEAR-AID® Type A and TEAR-AID® Type B provide a simple and easy method of patching holes and tears, as well as an excellent protective film solution.

EACH PATCH KIT CONTAINS:
(1) 3" x 12" TEAR-AID® Patch that cuts with scissors to any size, (1) 7/8" x 7/8" Patch, (1) 1 3/8" x 1 3/8" Patch, (1) 12" Reinforcement Filament for repairing tears at edges, (2) Alcohol Prep Pads, (1) Illustrated Instructions and a Product Repair List.

- 7003 REVIVEX 10 oz ODOR ELIMINATOR
- 8000231 SILICONE RTV 100% 3 OZ
- 70060001 HOBIE UV PROTECTANT-12oz
- 72020030 TEAR-AID / TYPE A (POLY)
- 72020031 TEAR-AID / TYPE B (VINYL)

MIRAGE ECLIPSE

MIRAGE ECLIPSE ACCESSORY BAG

The Mirage Eclipse experience just got even better! Now you can take your essentials along with you by packing them away in this convenient Eclipse Accessory Bag.

- Eclipse Accessory Bag Features:
- 3 easy Velcro straps for attachment to the Eclipse handle bar
 - Water resistant construction for keeping things dry
 - Key tether with YKK snap swivel for extra security
 - Interior zipper pouch for organizing smaller items
 - Drainage hole in the bottom of the bag to rid water and keep the interior of the bag dry
 - Clear visibility window in the top of the bag so you know exactly what you're reaching for
 - Dimensions: approx. 8" Tall x 8" Wide x 3" Deep

UNIVERSAL MOUNT & CAGE

Stay hydrated! This awesome mount with water bottle cage allows you to carry a water bottle on the Eclipse handlebar tubing. Adjustable for upper or lower tube size. Quick attachment and removal.

QUAD LOCK UNIVERSAL PHONE MOUNT

The Quad Lock adapter allows you to mount a phone or small device to Handlebars, H-Rail, H-Bar tubing. Designed for biking, but great for Hobie rail attachment too! Quick 45 degree twist to attach and lock. Release spring lever and turn 45 degrees to remove the device from the mount. Attaches to rails with rubber rings or zip ties that are included in the kit. 3M adhesive adapter attaches securely to your device (water proof cases recommended of course).

Eclipse Accessory Bag

Universal Mount & Cage

Phone Mount

HOBIE SUP / MSUP LEASH

Safety leash worn above your calf leashes you to your board in case you fall off. 8' Coil.

PADDLE "T" HANDLE

Convert your kayak paddle to a canoe style paddle. Easier to store on many models of Hobie Mirage kayaks where paddle use is unnecessary while using the MirageDrive. Plugs into the female half of the kayak paddle.

TELESCOPING PADDLE

Measures just 20" in closed position (45" when fully extended). Lightweight, anodized aluminum shaft corrosion resistant design. Floats too! 6 1/2" wide blade will fit into an 8" hatch opening.

3 PC FIBERGLASS PADDLE

Carry as a spare or emergency paddle. 3 piece easily assembles when needed. Includes carry bag.

PADDLE LEASH

Secure a paddle to your boats bow eye. Keep the paddle with the boat after a capsize. By holding the paddle after a capsize you can also be sure that the boat stays with you and cannot drift away. Web paddle leash is made from hollow webbing and an internal shock cord. Coil leash is elastic plastic coil.

100% POLARIZED SUNGLASSES

Since 1982, the most demanding water enthusiasts have relied on Hobie Eyewear’s premium polarized lenses & durable frames to deliver unparalleled performance and optimal visual clarity, no matter the adventure.

LIFETIME WARRANTY

NO-HASSLE, FRIENDLY, LIFETIME WARRANTY FOR RETAILERS AND CONSUMERS
Hobie Eyewear sunglasses are warranted to the original registered purchaser against defects in materials and workmanship for the LIFETIME of the sunglass. Take advantage of servicing your customer directly or sending them to Hobie Eyewear for warranty services.
To learn more, visit www.hobieeyewear.com/warranty.

FLOATING COLLECTION

Water and adventure ready, the Hobie® Eyewear FLOATING COLLECTION offers significantly lighter frames than compared to standard frames, allowing these sunglasses to float when out on the water. To ensure comfort for long-term wear in any environment, Floating Collection frames are highly durable and heat-resistant.

MAINTENANCE AND TUNING - Maintenance and tuning information for MirageDrives is available on the Hobie Cat website support area. Click the kayak model name then see Care and Maintenance. Direct link to the support pages for kayaks is here: <http://www.hobie.com/support/>

HOBIE MIRAGEDRIVE -OLDER-

Original drive with aluminum spine, stainless sprocket / mast connection is cotter key. Limited parts available.

- 81130001 SPROCKET (STAINLESS)
- 8060110 COTTER KEY (MAST / SS SPKT)
- 8020060 CLEVIS PIN
- 10860000 LOCK RING
- 81211001 IDLER CABLE 14 3/4" (SOLID PULLEY)

MIRAGEDRIVE SPARE PARTS KITS

Spare parts kits include a fin, mast, sprocket, chain and appropriate parts for the drive version. Older drives have sprockets and masts that use a set screw connection. V2 drives use threaded sprockets and masts. All in a handy zippered pouch. Don't waste a day on the water when your MirageDrive could be easily repaired. Available for the standard fin drive or a drive with the ST Turbo fins. Standard kit shown.

MIRAGEDRIVE GT (THREADED MAST)

- 80010401 GT ST (Bearing Sprocket)
- 80013401 GT TURBO (Bearing Sprocket)

TECH TIP

DECK FASTENERS - Customize your boat with the fasteners of your choice... where you want them. The Hobie screw-in fittings can be easily removed and replaced. Add an extra eye where we placed a hook, a cleat hook where a shockcord end is placed... You choose what works best for you.

TWIST AND STOW RUDDER

KC Welder Pro

Kayak Rigging Kit - Hardware

Fish Grip

Hobie Pet PFDs

Hobie Boomerang Snips

TECH TIP

"WELL NUT" FASTENERS are tubular rubber fittings with an imbedded brass nut in the base. These are similar to a molly screw commonly used in sheet rock. They expand within the structure and give you a virtual backing nut and washer in an area that is inaccessible. Well nuts can be used for mounting many accessories to kayaks. Simply drill a hole as a net-fit dimension for the well nut. Insert the nut and position the hardware to be fastened. Insert and thread in the screw. Tighten until very snug. The brass nut is drawn up against the inside surface of the kayak which expands the rubber to a dimension that is too large to pull through the hole.
